A dedicated area within the USA Pavilion will host a complimentary series of events—including special presentations, seminars, workshops, and open dialogues/debates—running alongside the exhibition. The Seminar area will once again provide an ideal setting for briefings on the latest technological advancements and recent achievements in the defense industry. Each USA Pavilion sponsor and the exhibitors will have the opportunity to deliver presentations following specific guidelines, which will be shared in advance. As an integral part of the USA Pavilion, the seminars and events program will offer significant value to exhibitors as well as national and international visitors, who will be informed of the schedule beforehand and invited to register their interest in attending.
